

SUPERIOR COURT OF CALIFORNIA, COUNTY OF MARIN
Application for Discharge from Accountability
Government Code section 25259.7

FILED

SEP 22 2022

JAMES M. KIM, Court Executive Officer
MARIN COUNTY SUPERIOR COURT

Deputy

The collections program respectfully applies to the presiding judge of the court for a discharge from accountability for the court-ordered debt or bail listed in Attachment A, that it would otherwise be responsible for collecting. The request is based on one or both of the following: 1) the amount is too small to justify the cost of collection; and 2) the likelihood of collection does not warrant the expense involved.

A discharge from accountability does not constitute a release of any person from liability for payment of any amount owed.

Total amount requested to be discharged from accountability: \$7,859,789.66.

The names of the persons liable and the amount owed by each are incorporated in the attached report.

(Government Code Section 25259.8)

I, James M. Kim, apply to the presiding judge, for a discharge from accountability for the collection thereof and attest that the facts stated in the application and Attachment A are true and correct to the best of my knowledge.
