How To Change Your ePortal Password

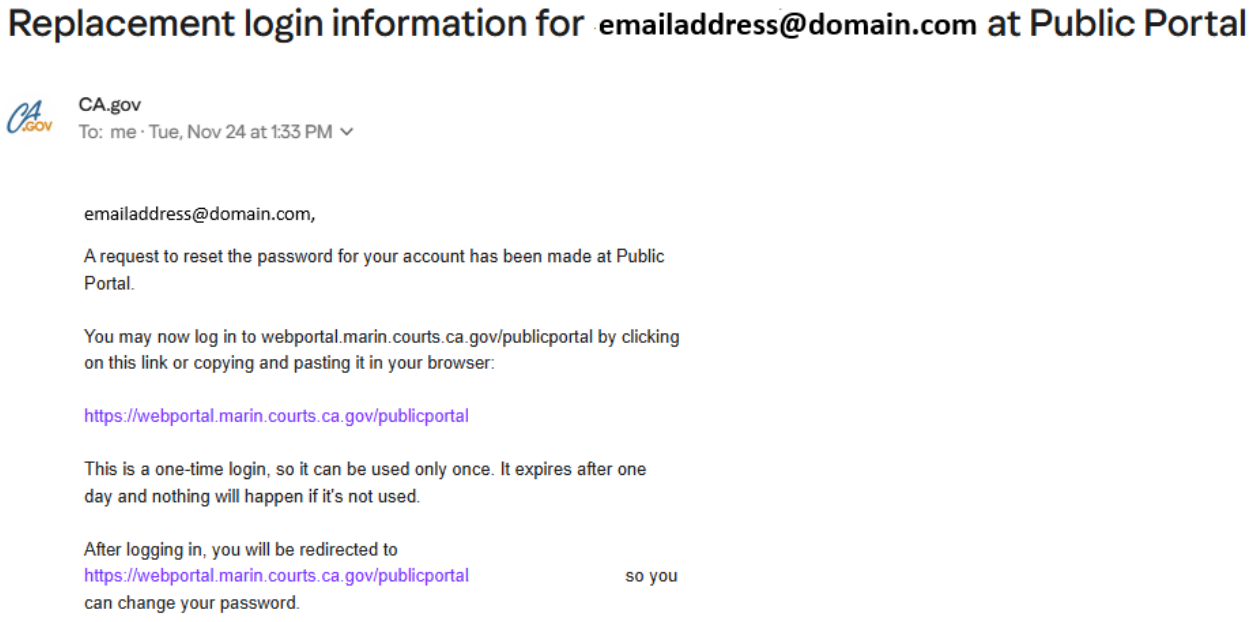

1. Navigate to the Court's ePortal page: https://webportal.marin.courts.ca.gov/PublicPortal/
2. Click the **Login** button

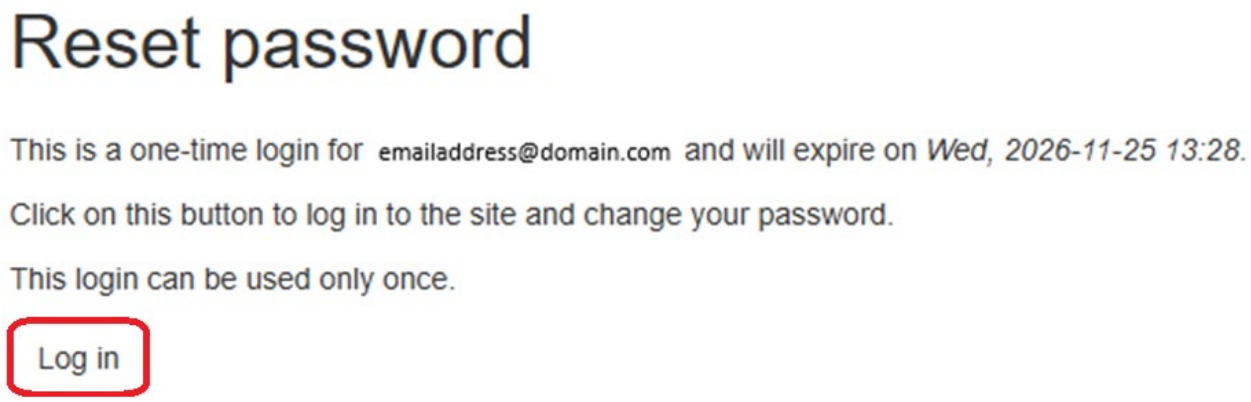

3. Click **Request new password**, enter your ePortal email and click **E-mail new password.**

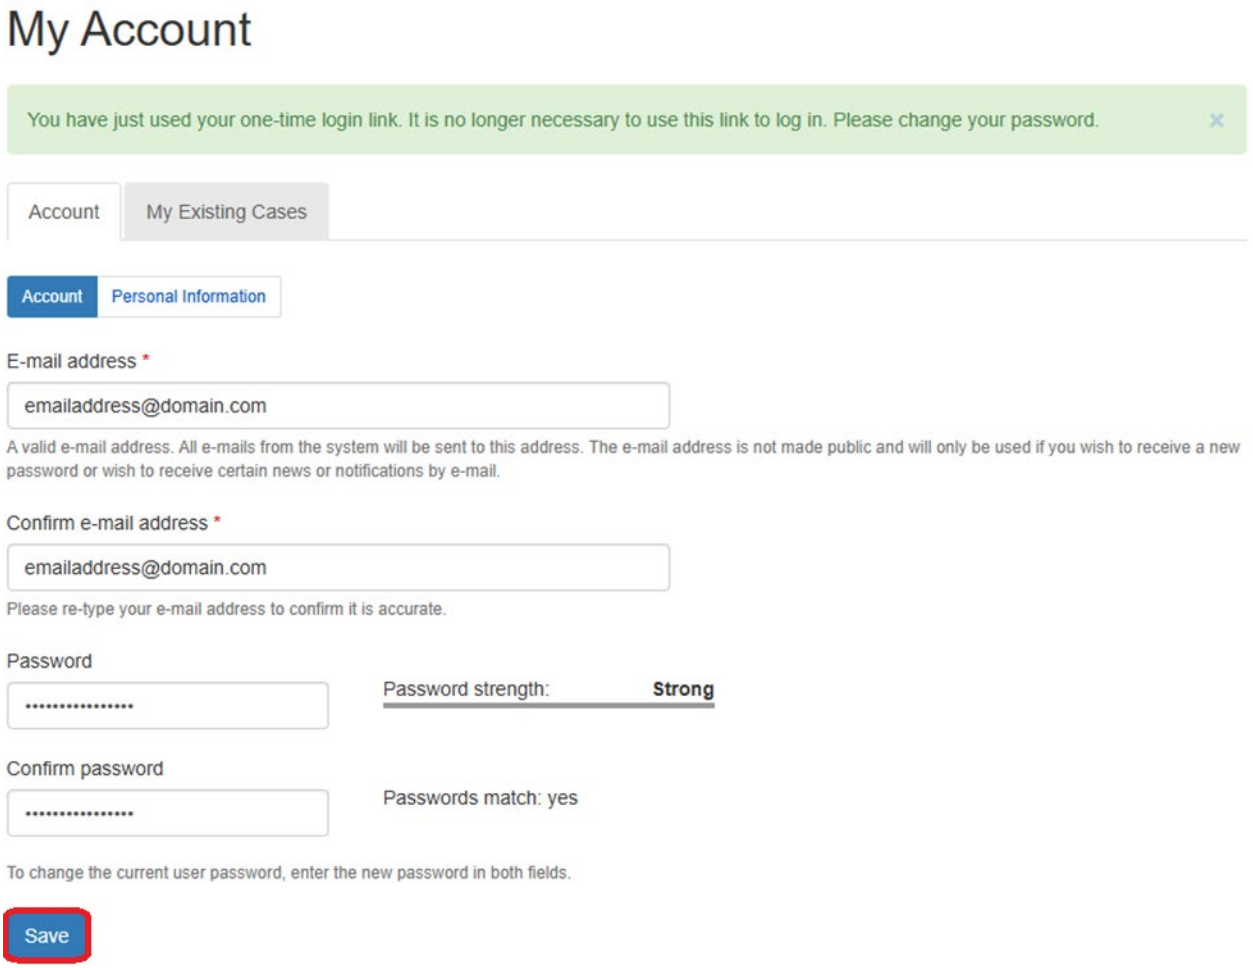

4. Please wait for the password reset email to arrive. It can take up to 30 minutes. Check your Junk email folder. See example email below.

5. Click on the link in the email. This will take you to ePortal. Click the **Log in** button.

6. Confirm your email address and enter a new password twice. Click the **Save** button when done.

7. You will see the confirmation page below. You can now use your new password.
