PUBLIC NOTICE

MARIN SUPERIOR COURT TO IMPLEMENT E-FILING AUTOMATION TOOL

The Superior Court of California, County of Marin, is excited to announce the launch of a new e-Filing automation tool on October 15, 2025. This innovative tool, supported by the Judicial Council of California's IT Modernization Grant Program, is set to enhance our operational efficiency by improving the speed and accuracy of processing designated non-criminal subsequent case documents.

The automation tool will continuously monitor for submitted e-Filed documents within its scope, ensuring timely processing and reducing the potential for backlogs. A notable change for users will be the appearance of the block stamp on automatically accepted e-Filed documents, featuring the designation "Automated Court Assistant," instead of a clerk's name.

We appreciate your support and understanding as we implement this advancement designed to better serve our community.

Below is an example of the block stamp appearance on automatically accepted e-Filed documents:
