The petition should include the *specific* reason indicating the necessity of the appointment. Except in a will contest, Letters of Special Administration will issue for only a specified period of time. Although preference is given to the person entitled to Letters Testamentary or of Administration if it appears that a bona fide contest exists, the Court will consider appointing a neutral person or corporate fiduciary.

[Rule 5.8 adopted effective 1/1/14; renumbered as Rule 6.8 effective 1/1/22; Rule 6.8 renumbered as Rule 6.9 effective 7/1/24]

When second generation heirs are listed, the deceased ancestor through whom they take shall be named, along with the ancestor's relationship to decedent.

2. All heirs or devisees, or other persons named in the will and each person named as executor or alternate executor who is not petitioning must be listed in the petition. In addition, if the interest of the devisee is contingent as of the date of the petition or the happening of an event, such as survivorship for a specific period, then the contingent devisee must also be listed. Also to be listed in the petition is each person provided for in the original will whose bequest has been revoked in a subsequent codicil.

3. If a named devisee predeceased the decedent or did not survive for the designated survival period, that fact must be stated together with the approximate date of death.

4. If an heir or devisee died after the decedent, that person should be listed with the notation that he or she is deceased and the date of death. If a personal representative has been appointed, the deceased heir or devisee should be listed in care of the name and address of his or her personal representative. If no personal representative has been appointed, that fact should be alleged.

[Rule 5.9 adopted effective 5/1/98; amended 7/1/13; renumbered as Rule 6.9 effective 1/1/22; Rule 6.9 amended and renumbered as Rule 6.10 effective 7/1/24]

The publication of Notice of Petition to Administer Estate under Probate Code § 8120 is sufficient to include all instruments which are offered for probate, filed with and specifically referred to in the petition for which notice is given. Any other wills or codicils not specifically mentioned in the petition must be presented to the Court in an amended petition and a new Notice of Petition to Administer

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

Estate must be published and mailed. It is the responsibility of the attorney to arrange for publication; the Clerk does not have this responsibility.

Publication must take place in one of the newspapers adjudicated for publication in Marin County which are: Ark Newspaper; Marin Independent Journal; Marinscope (Mill Valley Herald; Novato Advance; Ross Valley Reporter; San Rafael News Pointer; Sausalito Marin Scope; Twin Cities Times; Marin County Post) Pacific Sun; The Point Reyes Light.

D. Defective Notice.

1. *Defective mailing.* If the publication is correct but the mailing defective, the hearing normally will be continued to allow enough time for the required new mailing.

6.12 PROOF OF WILLS

In uncontested matters, both witnessed and holographic wills may be proved by declaration without the need of testimony in open Court. There is a preference for a non-beneficiary to prove a holographic will. Where more than one testamentary instrument is offered for probate, each instrument must be proved by a separate declaration.

[Rule 5.11 adopted effective 5/1/98; renumbered as Rule 6.11 effective 1/1/22; Rule 6.11 renumbered as Rule 6.12 effective 7/1/24]

6.13 LOST OR DESTROYED WILLS

The petition for probate shall include a written statement of the testamentary words or their substance. Evidence will be required to overcome the presumption of revocation. A copy of the will admitted to probate, if available, shall be attached to the order for probate.

The petition should request that the interlineated portion be admitted or not admitted; that the deletions take effect or be disregarded; or make

such other request as petitioner finds to be appropriate. The petition should set forth in an attachment, statements of all relevant facts regarding the alteration, for example, whether the will was in possession of decedent, and should include a statement of applicable law.

[Rule 5.13 adopted effective 5/1/98; renumbered as Rule 6.13 effective 1/1/22; Rule 6.13 renumbered as Rule 6.14 effective 7/1/24]

BOND

6.15 APPLICATION OF BOND SECTION

These guidelines (MCR Prob 6.15 to 6.19) apply to guardians, conservators, and trustees, as well as to personal representatives.

[Rule 6.14 adopted effective 5/1/98; renumbered as Rule 6.14 effective 1/1/22; Rule 6.14 renumbered as Rule 6.15 effective 7/1/124]

6.16 REQUIREMENT OF BOND/WAIVER OF BOND (SEE CRC 7.201)

A. Personal Representatives in Probate Estate. Even if the Will waives bond, or if the Court directs no bond be filed, or be filed in a reduced sum, the Court on its own motion, or on petition of any person interested in the estate may, for good cause, require the bond be given or amount increased, either before or any time after issuance of letters.

1. *No Bond Required.* Ordinarily, no bond will be required of the personal representative in the following circumstances: (a) where the Will waives bond of the nominated personal representative; (b) where the petitioner is the sole beneficiary under the Will, or (c) all beneficiaries of the estate waive bond. Where appropriate, counsel should file a declaration to assist the Court. The Court, in its discretion, may require a bond.

2. *Bond May Be Required.* When the personal representative is not a resident of California, the Court may require bond for any unsecured debts of Decedent. The petition should include a declaration to assist the Court in its determination.

3. *Bond Required.* In all other circumstances, except for those set forth above, the Court will require a bond. If the personal representative has full IAEA powers, a bond for both personal and the equity in real property must be obtained. If the personal representative has limited IAEA powers, a bond shall be obtained for all of the property, excluding the real property.

B. Conservatorships/Guardianships. Ordinarily, bond will not be waived in conservatorships or guardianships.

[Rule 5.15 adopted effective 5/1/98; amended 1/1/04; renumbered as Rule 6.15 effective 1/1/22; Rule 6.15 amended and renumbered as Rule 6.16 effective 7/1/24]

6.17 REDUCING BOND THROUGH USE OF DEPOSITORY FOR BLOCKED ACCOUNT

A. Before Issuance of Letters. The receipt and agreement of depository required by the Probate Code must be filed prior to the issuance of Letters.

B. After Appointment. Bonds may be reduced at any time after appointment by a petition and order reducing bond, together with a receipt of a depository showing assets in the amount of the requested reduction have been so deposited. Such a petition must set forth the assets remaining in the estate, after excluding those held by the depository, and it must appear that the reduced bond adequately covers the amount to be protected.

C. Direct Transmittal to Depository. If the assets to be deposited are in the possession of a bank, savings and loan association or trust company other than the named depository, the order should direct the entity in possession to deliver such assets directly to the named depository

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

and further direct the depository, on receiving such assets, to issue its receipt and agreement to the fiduciary. (Financial Code § 765)

D. Withdrawals or Releases from Depository. An order authorizing release from a blocked account may be obtained ex parte. The petition should set forth the approximate bond, and the purpose for which the withdrawal is being made. The order may provide for funds to be paid directly to a taxing authority or beneficiary or other person entitled thereto.

E. Letters. Any Letters issued where accounts have been blocked should include the statement: "Account located at (institution name) has been blocked and receipts for the blocked account have been filed with the Court."

[Rule 5.16 adopted effective 5/1/98; renumbered as Rule 6.16 effective 1/1/22; Rule 6.16 renumbered as Rule 6.17 effective 7/1/24]

6.18 BOND MODIFICATION

A. Duty and Application. It is the duty of the fiduciary or the fiduciary's attorney, upon becoming aware that the bond is insufficient (e.g., on filing of an inventory or submitting an accounting), to apply immediately for an order increasing the bond. Such application may be made ex parte.

B. Bond Increase. When the bond of a fiduciary must be increased, the Court favors filing of an additional bond rather than a substitute bond. Where assets will be coming into or passing through the hands of the fiduciary so as to require an increase of bond, the fiduciary must set forth the information necessary to enable the Court to determine the amount of the increase.

C. Bond Decrease. When the fiduciary's bond should be decreased, the Court favors using an order reducing the liability on the existing bond rather than a substitute bond. Where a decrease in bond is sought because distribution has been made, copies of receipts evidencing the distribution should be presented with the petition.

[Rule 5.17 adopted effective 5/1/98; renumbered as Rule 6.17 effective 1/1/22; renumbered as Rule 6.18 effective 7/1/24]

6.19 BOND OF SPECIAL ADMINISTRATORS

In the case of ex parte appointments of special administrators, the Court will usually require a bond even if the Will waives the bond and the beneficiaries waive bond.

[Rule 5.19 adopted effective 5/1/98; renumbered as rule 6.19 effective 1/1/22]

INVENTORY AND APPRAISAL

6.20 PREPARING INVENTORY AND APPRAISAL

A. Preparation. The California Probate Referees' Association has published a pamphlet, *Probate Referees' Procedures Guide*, describing the suggested form for listing various inventory assets as well as its opinion as to whether particular assets should be listed on Attachment 1 or 2. Although not an official publication, this pamphlet is a good reference. Copies are available from the California Probate Referees' Association, 465 California Street, Suite 702, San Francisco, CA 94104. Please refer to this pamphlet for specific information on completing an inventory and appraisal.

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

[Rule 5.20 adopted effective 5/1/98; amended 1/1/04; renumbered as Rule 6.20 effective 1/1/22]

6.21 APPOINTMENT OF REFEREE

A. Procedure for Request. To obtain appointment of a Probate Referee, the appropriate box on the Order for Probate should be checked. The Clerk will return the Order with a Referee appointed. If a Referee has not been assigned on the Order for Probate, an Order Appointing Probate Referee should be submitted to the Court.

B. Waiver of Appointment of Referee. The appointment of a Probate Referee may be waived for "good cause" under Probate Code § 8903, et seq. The decision whether good cause exists will be made by the Court on the basis of the facts set forth in the petition. The petition, including a copy of the proposed inventory and appraisal, and notice of hearing shall be served on all persons who are entitled to notice pursuant to Probate Code § 8903. The petition shall state the source of the values included in the inventory and appraisal. Waivers of appointment are not routinely granted.

[Rule 5.21 adopted effective 5/1/98; renumbered as Rule 6.21 effective 1/1/22; amended 7/1/24]

6.22 SUFFICIENCY OF BOND

If there is a bond in force, the inventory and appraisal must disclose on its face, at the place on the form above the attorney's signature, whether the amount thereof is sufficient or insufficient. See MCR Prob 6.27 regarding bond modification.

[Rule 5.22 adopted effective 5/1/98; renumbered as Rule 6.22 effective 1/1/22]

6.23 OBJECTION TO APPRAISED VALUE OF ASSETS

Prior to the filing of the inventory and appraisal, counsel are encouraged to engage in informal discussion with the Probate Referee to resolve disagreements over the value of particular assets. After the filing of the inventory and appraisal and before a hearing on the Petition for Final Distribution, the personal representative or an interested person may file a written objection to the value of assets on the appraisal.

[Rule 5.23 adopted effective 5/1/98; amended 7/1/10; renumbered as Rule 6.23 effective 1/1/22]

CLAIMS

6.24 CLAIMS PROCEDURES

All claims in probate proceedings must conform to the provisions of Probate Code § 9000 et seq.

[Rule 5.24 adopted effective 5/1/98; renumbered as Rule 6.24 effective 1/1/22]

6.25 NOTICE TO CREDITORS

Notice to creditors must be given as provided in the Probate Code. A showing that affirmative efforts to locate and notify creditors, both known and reasonably ascertainable, is required under the Probate Code and must be set forth in the final report.

[Rule 5.25 adopted effective 5/1/98; renumbered as Rule 6.25 effective 1/1/22]

SALES OF ESTATE PROPERTY

6.26 GENERAL INFORMATION

A. Judicial Approval. For estates being administered with full authority under IAEA, judicial approval of sales or exchanges of real or personal property is no longer required; otherwise confirmation of sales is still required.

B. Notice. Notice shall be given to the devisee of specifically devised property and to all residuary beneficiaries. The original purchasers of the property whose bid is being returned to Court for confirmation shall also be noticed.

C. Exclusive Listings for Sale of Property. A personal representative acting under IAEA has authority to enter into an exclusive agreement to sell real property without prior Court approval. If Court confirmation is sought, either because of limited IAEA or pursuant to the Agreement of Sale, at the hearing on confirmation of sale, the Court may determine the total commission without regard to the terms of the exclusive agreement.

D. Purchase of Estate Property by Personal Representative. Although the purchase of estate property by the personal representative is generally prohibited, such purchase may be allowed under limited circumstances subject to Court approval.

[Rule 5.26 adopted effective 5/1/98; amended 7/1/08; renumbered as Rule 6.26 effective 1/1/22]

6.27 SALES OF PERSONAL PROPERTY

A. Tangible Personal Property.

1. *Necessity for Appraisal.* In all cases other than those administered with full IAEA, the sale of tangible personal property will ordinarily not be approved unless the property has been appraised. For this purpose, a partial inventory and appraisal may be filed or a letter appraisal may be obtained from the appointed Probate Referee.

2. *Commissions.* Commissions on sales of tangible personal property will be allowed only to individuals holding a license authorizing them to deal in the type of property involved. A commission will be allowed on the original bid only when the commission is requested in the return of sale. When there is an overbid in Court, a commission may be allowed to the successful broker, and, if the original bid was subject to a commission, apportionment between the brokers will be made according to the same rules as prescribed for real estate sales. The amount of the commission is within the Court's discretion and will ordinarily conform to the amounts found below.

B. Securities. The petition for authority to sell securities must set forth a minimum sales price as to all securities except those listed on an established exchange. The minimum price must be a recent market quotation from the New York Stock Exchange, American Exchange or an over the counter market. If there is no recent market quotation available or the securities are "closely held," the petition must set forth the basis for fixing the minimum sales price.

C. Condominiums, Community or Cooperative Apartments. A condominium or cooperative apartment is an interest in real property and must be sold as such, unless it is held as a limited partnership. (Civil Code § 783) The sale of a cooperative apartment will not be confirmed subject to the original (returned) purchaser later obtaining the acceptance of a Board

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

of Directors or other governing body. If there is an overbid, the Court, at the request of the personal representative, will then continue the matter for the purpose of obtaining acceptance. If the personal representative does not wish to continue the matter for this purpose, the Court will not accept the overbid.

[Rule 5.27 adopted effective 5/1/98; amended 7/1/08; renumbered as Rule 6.27 effective 1/1/22]

6.28 RETURN OF SALE OF REAL PROPERTY

A. Publication of Notice of Intention to Sell Real Property. Notice of Intention to Sell Real Property must be published in decedents' estates (except for estates in which there is a power of sale in the will or estates being administered under full IAEA) and in all conservatorships/guardianships unless the Court has granted the conservator/guardian power to sell. Publication must be in a newspaper published in the county in which the real property lies.

If an executor having power of sale in the Will publishes a notice of sale of the real property and proceeds with the sale and a technical defect appears, the defect cannot be cured by exercising the executor's power of sale. The executor must publish a new notice.

B. Contents of Notice and Purpose of Notice. The notice should include the date and place of sale, *not* the date of the confirmation hearings. The published notice is a solicitation for offers. No offer can be accepted until the date on or after the time for making bids expires. In addition to a legal description of the property, the notice should contain the street address or other common designation of the property, when available, and should also state the following, where applicable:

1. If an exclusive listing has been given, the notice should so state.
2. If the property is to be sold subject to an encumbrance, the notice should so state.
3. If the property is to be sold for cash only, the notice must so state.
4. If the estate would prefer all cash but will accept part cash and part credit, the notice should include the following language: "All cash, or part cash and part credit, the terms and conditions of credit as acceptable to the fiduciary and the Court."

C. Effect of Notice. Any offer accepted and returned to Court for confirmation must conform to the terms of sale contained in the notice.

[Rule 5.28 adopted effective 5/1/98; renumbered as Rule 6.28 effective 1/1/22]

6.29 RETURN OF PRIVATE SALE FOR COURT CONFIRMATION

A. Appraisal and Reappraisal. In order for a private sale to be confirmed, there must be on file an appraisal by the Probate Referee of the property and, if required, a reappraisal by the Probate Referee if the decedent's date of death or guardian's or conservator's appointment occurred more than one year before the date of the confirmation hearing. The appraisal and reappraisal should be on file prior to the hearing date on the return of sale but counsel may bring the reappraisal to the court hearing.

B. Market Exposure of Property. Whenever it is brought to the attention of the Court that the fiduciary has denied bona fide prospective buyers or their brokers a reasonable opportunity to inspect the property, or the property has not had maximum market exposure, the

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

returned sale will not be confirmed, and the sale will be continued to allow inspection and further exposure to the market.

C. Second Deeds of Trust. The Court will approve the taking of a promissory note secured by a junior deed of trust upon a showing that it serves the best interests of the estate.

D. Hearing on Return of Sale and Overbids. Counsel must be prepared to state the minimum necessary overbid price. Counsel should give notice to the original purchaser or his agent of the time and place of hearing and advise that they be in Court for the hearing.

E. Earnest Money Deposit by Overbidder. When a sale is confirmed to an overbidder, the overbidder, *at the request of the personal representative*, must submit at the time of hearing a certified or cashier's check in the amount of 10 percent of the entire amount of the bid, but not to exceed the amount of the cash down payment.

F. Bond. The petition for confirmation of sale of real estate should set forth the amount of the bond in force at the time of sale. If no additional bond is required, or if bond is waived, that fact should be alleged. If additional bond is required after confirmation of sale of real property, the petitioner should provide sufficient information to the Court to determine the net proceeds of sale and the amount of the required additional bond. If proceeds are to be placed in a blocked account, the matter will be placed on the following week's probate calendar for verification that a receipt for the blocked account is on file. If additional bond is required in the confirmation order, the Court will not enter the order until the additional bond is filed. (CRC 7.206)

G. Absence of Attorney for Estate at Confirmation Hearing. If someone is present who wishes to overbid and the estate's attorney is absent, the hearing will be continued, except where the fiduciary is present and requests that the sale proceed without the attorney.

H. Partial Interest. Where the estate has a partial interest in real property, all information in the petition should refer ONLY to the partial interest, including the overbid amount. If the additional interest is also being sold outside of Court, the total bid necessary should be announced in open court.

[Rule 5.29 adopted effective 5/1/98; amended 7/1/08; renumbered as Rule 6.29 effective 1/1/22]

6.30 BROKER'S COMMISSIONS

A. Improved Real Property. The Court will ordinarily allow a broker's commission not to exceed 6% of the first \$100,000 and 5% of any excess over \$100,000. It is understood that commissions are negotiable, and the parties may agree to a lesser percentage.

B. Unimproved Real Property. The Court will ordinarily allow a broker's commission not to exceed 10% of the first \$20,000, 8% of the next \$30,000, and 5% of the balance of the sale price. In the Court's discretion, a flat 10% may be allowed. In each instance, the Court will determine what is "unimproved" real property.

C. Commission Rates at Real Property Situs Will Apply. When the real property is not located in Marin County, the Court will allow commissions based on the Marin Probate Court schedules unless it is shown that a larger commission would be allowed based on the schedule in effect in the Probate Court of the County in which the property is located.

1. *Commissions in Excess of Schedule.* A commission exceeding the normal schedule will be allowed only if it is reasonable in the opinion of the

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

Court. The written agreement of the affected beneficiaries to the allowance of such commission should be obtained.

D. Broker Bidding for Own Account Not Entitled to a Commission. A broker bidding for his own account is not entitled to receive or share in a commission.

E. Broker's Commissions in Overbid Situations. The broker's commission in overbid situations depends upon who is represented by a broker.

1. *Only original bidder represented by broker.* When the original bidder is represented by a broker and the successful overbidder is not, the original broker is allowed a full commission on the amount of the original bid returned.

2. *Where overbidder represented by broker.* The overbidder's broker receives a full commission on the overbid price confirmed by the Court, reduced by one-half (1/2) the commission on the original bid, which latter commission will be split equally between the original bidder's broker and any listing broker involved in the sale. Overbidder's commission is limited by Probate Code § 10162 to half the difference between the successful overbid and the returned bid if the original bidder is not represented by a broker. If the brokers have an agreement regarding the splitting of the commissions, it must be signed by all brokers. Reference to the multiple listing is not sufficient to alter the statutory requirements for the splitting of broker's commissions.

F. Order Must Allocate Commission. The order confirming sale must show the total commissions allowed and any allocation agreed on between brokers.

[Rule 5.30 adopted effective 5/1/98; amended 7/1/09; renumbered as Rule 6.30 effective 1/1/22]

ACCOUNTS

6.31 IN GENERAL

All accounts filed in probate proceedings, including guardianship, conservatorship, and trust accounts, must be typewritten and must conform to the provisions of the Probate Code. The provisions relating to accounting can be found in Probate Code §§ 1061 et seq. The summary of account must be in carry value (not market value). An additional schedule must be provided showing the market value of assets at the end of the accounting period per Probate Code § 1063(a). The account must state the period covered by the account. A personal representative's account must begin with the date of death of the decedent. Accounts not conforming to the Probate Code will not be approved. When a future accounting is required, the following language shall be included in the last paragraph of the proposed order for approval of an intermediate accounting: "The [First/Second/Third etc.] Account and Report covering the accounting period from <insert applicable date> to <insert applicable date> shall be filed by _____."

[Rule 5.31 adopted effective 5/1/98; amended 7/1/10; renumbered as Rule 6.31 effective 1/1/22]

6.32 BONDS

In any account where bond has been posted, allegations must be included as to the total bond(s) posted, the fair market value of personal property on hand at the close of the account period plus the estimated annual gross income from the real and personal property, and any additional bond required.

[Rule 5.32 adopted effective 5/1/98; renumbered as Rule 6.32 effective 1/1/22]

6.33 TRUSTEE'S FIRST ACCOUNT

The starting balance of a testamentary trustee's first account must conform to the trustee's receipt(s) filed on distribution of the assets of the decedent's probate estate. The petition for settlement of a trustee's account must include the names of beneficiaries and remainder persons and set forth the trust provisions for distribution of principal and income.

[Rule 5.33 adopted effective 5/1/98; renumbered as Rule 6.33 effective 1/1/22]

6.34 WAIVER OF ACCOUNT

A. By All Interested Parties. Waiver of accounting is permitted when each person entitled to distribution files either a written waiver of accounting or a written acknowledgment that the distributee has already received that to which he/she is entitled. A beneficiary of a specific cash bequest or non-income producing assets ordinarily need not execute a waiver of the accounting.

B. Effect of Waiver. If an account is waived under Probate Code section 10954, the details of receipts and disbursements need not be listed in the report. However, the report must list the information required by law, including information as to creditors' claims, sales, purchases or exchanges of assets, changes in the form of assets, assets on hand, whether the estate is solvent, detailed schedules of receipts and gains or losses on sale (where an amount other than the amount of the Inventory and Appraisal is used as a basis for calculating fees or commissions), costs of administration (if reimbursement of these costs is requested), the amount of any fees or commissions paid or to be paid, and the calculation of such fees or commissions as described in CRC 7.705.

C. Waiver by Trustee. A trustee who is also the personal representative may not waive an accounting of himself/herself. The waiver may be executed by a co-trustee or by all trust beneficiaries presently entitled to distribution. This applies to testamentary trusts and to pourover wills into inter vivos trusts. A testamentary trustee who waives the accounting of the personal representative must have filed a consent to act as trustee.

[Rule 5.34 adopted effective 5/1/98; renumbered as Rule 6.34 effective 1/1/22]

DISTRIBUTION OF PROBATE ESTATE

6.35 NOTICE REQUIREMENTS ON PETITIONS FOR DISTRIBUTION

A. Basic Notice Requirements. Unless the Court has ordered that notice be dispensed with, at least fifteen (15) days before the time set for the hearing of a petition for partial, preliminary or final distribution, the petitioner shall cause notice of the time and place of hearing to be served on the following:

1. Each non-petitioning personal representative or non-petitioning personal co-representative.
2. The devisees/heirs whose interest in the estate is affected by such petition.
3. The heirs of the decedent in intestate or partially intestate estates.
4. The State of California if any portion of the estate is to escheat to it.
5. The persons who have filed a Request for Special Notice.

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

6. The persons (or to their attorney, if they have appeared by attorney) who have given notice of appearance in the estate in person or by attorney.

7. If the personal representative is also the trustee, the income beneficiaries of the trust *must* be noticed.

8. In an insolvent estate all creditors having filed creditors' claims must be noticed.

B. Notice to Prior Representative and Attorney. If there has been a change of personal representative or a substitution of counsel, notice of hearing on any petition for distribution must be given to such prior representative and any substituted counsel unless:

1. A waiver of notice is executed by the prior representative or counsel is on file or included with the petition; or

2. An agreement on the allocation of compensation is on file or included with the petition; or

3. The file and petition demonstrate that the commissions the prior personal representative or the fees of the substituted counsel have been previously provided for and allowed by the Court.

C. Proof of Notice. Proof of the giving of notice shall be filed prior to the hearing and, if it appears to the satisfaction of the Court that the notice has been regularly given, the Court will so find in its Order.

D. Additional Notices. Whenever the Court deems that the notice which has been given is insufficient, it may require such further and additional notices to be given as it deems proper.

[Rule 5.35 adopted effective 5/1/98; renumbered as Rule 6.35 effective 1/1/22]

6.36 PRELIMINARY DISTRIBUTION

A. Preliminary Distribution Under Probate Code § 11620. In addition to any other requirements, a petition for preliminary distribution must state the approximate value of the property remaining in the estate after the proposed distribution, an estimate of the total amount of unpaid taxes, unpaid claims and other liabilities, a statement of why final distribution cannot be made and when it will be made. An inventory and appraisal which includes the property to be distributed should be on file.

B. Ex Parte Petition for Preliminary Distribution. Absent an emergency, preliminary distributions should be set for noticed hearing. The Probate Code provides for an ex parte petition for preliminary distribution. The urgency justifying such ex parte application must be set forth.

[Rule 5.36 adopted effective 5/1/98; renumbered as Rule 6.36 effective 1/1/22]

6.37 FINAL DISTRIBUTION IN GENERAL

A. List of Assets and Description of Property Required. A petition for final distribution, whether or not an account is waived, must list assets on hand and list and describe the property to be distributed, either in the body of the petition, or by a schedule in the accounting, or in a separate exhibit incorporated in the petition by reference. Description by reference to the inventory is insufficient. In the Order for Final Distribution real property must be described by legal description and include the parcel number.

B. Specific Statement How Estate to be Distributed. The petition for final distribution must state specifically how the estate is to be distributed. A general allegation that distribution is "in accordance with the terms of the Will" or "in accordance with the laws of intestate succession" is insufficient.

C. Non-Pro Rata Distribution. When the petition seeks a non-pro rata distribution, it must show the computation on which the proposed distribution is based. Consents of interested beneficiaries must be filed.

D. Decree of Distribution. Whether or not an accounting has been waived, the decree of distribution must set forth specifically the manner in which the estate is to be distributed by showing the distributee's name and a description of the property, including the legal description of real property, and the amount of cash (as of a date certain) to be distributed. This must be in the body of the decree. Mere reference to allegations in the petition is insufficient and not acceptable to the Court.

1. *Blocked Funds.* The decree should provide that the savings institutions or other depository holding blocked funds belonging to the estate draw checks payable to named distributees. Funds held in blocked accounts in lieu of bond will not be released to the personal representative for distribution.

E. Preliminary Distribution Receipts. Receipts for any preliminary distribution must be on file prior to the final distribution.

[Rule 5.37 adopted effective 5/1/98; renumbered as Rule 6.37 effective 1/1/22]

6.38 ADDITIONAL REQUIREMENTS RE: PETITION FOR FINAL DISTRIBUTION

A. Allegations Relating to Creditor's Claims. In addition to the allegation that all reasonably ascertainable creditors have been notified, the petition for final distribution whether or not on waiver of accounting and whether or not the personal representative is acting under the IAEA, must describe all creditors' claims presented to the personal representative (even if not filed with the Court) and indicate the disposition of each claim. If a claim has been rejected, the date of service of notice of rejection must be stated, as well as its disposition, whether by suit or otherwise. This information must be set forth in the petition for final distribution even though it may have been presented to the Court in whole or in part in prior accountings or petitions for distribution.

B. Allegations Relating to Independent Acts. The petition for final distribution must list and describe all independent acts taken without prior Court approval and must contain an allegation that the notice period for the advice of proposed action was met or waived and that no objections were received. The originals of the advice of proposed action with attached declarations of mailing must be available but need not be filed with the Court.

C. Allegations Relating to Character of Property. In all cases where the character of the property may affect distribution, whether the decedent died testate or intestate, the petition for distribution must contain an allegation as to the separate or community character of the property.

D. Community and Quasi Community Property Elections. If a spousal election has been made, the date of the filing of the documents exercising such election and the nature of the election should be set forth in the petition.

E. Change of Ownership. If real property is or was an asset of the estate, any petition for distribution of real property should allege that the change of ownership report was filed with the County Recorder or assessor of each county in which any real property included in the inventory is located.

F. Payment of Taxes. The petition for final distribution must address the question of the source of the payment of the federal estate tax and California estate tax, if any. If the Will has a clause directing the payment of the taxes out of the residue of the estate, this should be alleged. If there is no tax clause or there is a tax clause which does not direct the source of payment, the amounts required to be prorated or charged must be stated. The final account must show the computation and the order of final distribution must show the proration.

G. Retention of a Reserve. The decree of final distribution must specifically set forth the use that may be made of retained funds (e.g. income taxes, closing costs, property tax reassessment, etc.). The reserve shall generally not exceed 10% of the assets on hand. The petition for final discharge must show the disposition of all amounts held in reserve and vouchers, if requested by the Court, must be filed for any distributions unless account is waived.

[Rule 5.38 adopted effective 5/1/98; amended 7/1/15; renumbered as Rule 6.38 effective 1/1/22]

6.39 AGREEMENTS FOR DISTRIBUTION; ASSIGNMENTS; DISCLAIMERS

A. Agreements. If the distributees agree to distribution in a manner other than that provided by the Will or by the laws of intestate succession, such agreement must be in writing, signed and acknowledged by all parties affected by the distribution, and filed in the probate proceeding.

B. Assignments. The Probate Court will distribute directly to the assignee of an heir or devisee only when a duly acknowledged assignment is on file.

C. Disclaimers. If a disclaimer has been filed, the Petition for Distribution should set forth the date of filing, the person disclaiming, the property of the estate affected and the person or persons entitled to receive distribution of the property disclaimed.

[Rule 5.39 adopted effective 5/1/98; renumbered as Rule 6.39 effective 1/1/22]

6.40 DISTRIBUTION TO PERSONS UNDER CONSERVATORSHIP OR GUARDIANSHIP

The decree should provide for distribution of the property to the minor or the conservatee rather than to the guardian or conservator but must provide that actual payment or delivery be made to the guardian or conservator.

[Rule 5.40 adopted effective 5/1/98; renumbered as Rule 6.40 effective 1/1/22]

6.41 DISTRIBUTION TO MINORS

A. Delivery to Parent. Where delivery of the assets is to be made to the minor's parent, the declaration by the parent complying with the provisions of Probate Code § 3401 must be on file before the hearing date.

B. Depository. Where a depository is to be used, the receipt and agreement of the depository must be filed as required under Probate Code § 2328 and the decree of distribution shall so provide. The decree shall direct distribution of the minor's funds to a specific depository, including its location, in the name of the minor and shall state that the funds cannot be withdrawn without Court order.

[Rule 5.41 adopted effective 5/1/98; renumbered as Rule 6.41 effective 1/1/22]

6.42 DISTRIBUTIONS TO TRUSTEES

If distribution is to a trustee who is not the personal representative, the consent of the nominated trustee to act must be on file prior to the hearing on the petition for distribution to the trustee. A written declination should be filed by or on behalf of the trustee who does not choose to act. The decree must contain the terms of the testamentary trust.

[Rule 5.42 adopted effective 5/1/98; renumbered as Rule 6.42 effective 1/1/22]

6.43 DISTRIBUTION TO REPRESENTATIVE OF DECEASED HEIR OR BENEFICIARY

When a beneficiary dies during the administration of an estate and survives any survival period stated in the Will, the decree should provide for distribution to the named personal representative of the estate of the beneficiary or where applicable, to the person(s) entitled thereto under Probate Code § 13100. Counsel must file a certified copy of Letters Testamentary or the original affidavit required by Probate Code § 13101 before the hearing date.

[Rule 5.43 adopted effective 5/1/98; renumbered as Rule 6.43 effective 1/1/22]

6.44 DISTRIBUTION TO INTTESTATE HEIRS

Heirs who take by virtue of intestacy must be sufficiently described to permit the Court to determine if the laws of intestate succession have been properly applied. If an heir takes by right of representation, the Petition must indicate his parentage, and the approximate date of the parent's death.

[Rule 5.44 adopted effective 5/1/98; renumbered as Rule 6.44 effective 1/1/22]

6.45 DISTRIBUTION TO "MISSING" HEIR

When distribution is to be made to the State of California because there are no known heirs or there is an heir or devisee whose whereabouts is unknown, the notification requirements of the Probate Code must be followed. In addition, alternative distributees must be set forth. (Probate Code § 11603(c))

[Rule 5.45 adopted effective 5/1/98; amended 1/1/04; renumbered as Rule 6.45 effective 1/1/22]

6.46 INTEREST ON GENERAL PECUNIARY LEGACIES

The Court will strictly enforce the policy regarding interest on general pecuniary legacies set forth in the Probate Code and will order payment of interest at the statutory rate on all general pecuniary bequests not paid within one year from the date of decedent's death unless payment of interest is waived in the Will.

[Rule 5.46 adopted effective 5/1/98; renumbered as Rule 6.46 effective 1/1/22]

MISCELLANEOUS PETITIONS AND ORDERS

6.47 FAMILY ALLOWANCE

A. Necessary Allegations of Petition. All petitions for family allowance must show that the allowance is necessary and reasonable, including:

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

1. The nature and separate and community character of the probate estate and whether or not it is solvent;
2. Whether others are entitled to family allowance;
3. The approximate needs of the applicant, with reference to his or her standard of living; and
4. The applicant's income from other sources.
5. The petitioner shall file an income and expense declaration prior to the hearing. (Judicial Council Form FL-150)

B. Duration of Family Allowance. All orders will limit family allowance to a definite period of time. If the order is on an ex parte petition, family allowance will normally not be granted for a period exceeding six months.

C. Before Inventory Filed. Before an inventory is filed an order for a family allowance may be made or modified ex parte or on noticed hearing.

D. After Inventory Filed. After an inventory has been filed an order for a family allowance may be made or modified only on noticed hearing.

[Rule 5.47 adopted effective 5/1/98; amended 7/1/08; renumbered as Rule 6.47 effective 1/1/22]

6.48 STATUS REPORTS

The statutory requirements for filing of status reports annually in lieu of accountings are taken seriously by the Court. Attorneys failing to comply with the statutory requirements may expect to have their statutory compensation reduced. All status reports must explain why the case has not been closed and when the attorney expects to file a petition for final distribution. The Order must require the filing of an additional status report on or before the date fixed for the Petition for Final Distribution if the petition is not to be filed by that date.

[Rule 5.48 adopted effective 5/1/98; amended 7/1/15; renumbered as Rule 6.48 effective 1/1/22]

6.49 OBTAINING FINAL DISCHARGE

An Ex Parte Petition for Final Discharge and Order shall include a copy of the Judgment for Final Distribution and a receipt or other satisfactory evidence from each distributee. The receipt of distribution should match the distribution found on the Judgment for Final Distribution. The distribution of any reserve may be included on the primary receipt or may be filed as a separate receipt. The Court may excuse the filing of a receipt on a showing that the personal representative is unable, after reasonable effort, to obtain a receipt that the property has been delivered to or is in the possession of the distributee. In the case of real property, the personal representative shall file a statement that identifies the date and place or location of the recording of the judgment of final distribution or other appropriate recording information. If funds have been retained as a reserve, the application for final discharge shall contain the disposition of all funds and all receipts. The Court in its discretion may require a supplemental account for the reserve.

[Rule 5.49 adopted effective 5/1/98; amended 7/1/15; renumbered as Rule 6.49 effective 1/1/22]

6.50 PROCEEDINGS TO ESTABLISH FACT OF DEATH

A. Filing Under Decedent's Name. A petition to establish the fact of death must be filed in the name of the deceased person whose interest is to be terminated.

B. Separate Petition Preferred. Although the Probate Code authorizes a petition to establish the fact of death to be included in a verified petition for probate of Will or for Letters of Administration for convenience of administration, attorneys are encouraged to file a separate petition.

C. Property Description. If real property is affected, a copy of the document showing the decedent's interest must be attached to the petition and incorporated therein, or the verified petition must set forth the entire instrument vesting title, including the recordation data. If personal property is affected, the location and description of the property and the decedent's interest therein must be set forth with particularity.

D. Death Certificate. A certified copy of the death certificate shall be filed with the petition.

E. Attorneys' Fees. There is no provision in the Probate Code for allowance of set attorneys' fees in proceedings to establish the fact of death and the Court will not fix such fees. The attorney should make fee arrangements directly with the client. However, if a surviving joint tenant failed during his or her lifetime to establish the fact of death of a previously deceased joint tenant, compensation for extraordinary services may be awarded in the probate proceeding involving the surviving joint tenant for those services performed after the death of the surviving joint tenant.

[Rule 5.50 adopted effective 5/1/98; renumbered as Rule 6.50 effective 1/1/22]

6.51 PETITION TO ESTABLISH IDENTITY OF HEIRS

A Petition to Establish Identity of Heirs may be filed when title to real or personal property vests in heirs, heirs of the body, issue, or children of the decedent without other specific identification. Like the proceeding to establish death, only the fact of identity is determined, and the resulting judgment does not determine the legal right to the property involved.

[Rule 5.51 adopted effective 5/1/98; renumbered as Rule 6.51 effective 1/1/22]

6.52 TRANSFER OF ESTATE PLANNING DOCUMENTS TO CLERK

[Rule 5.52 adopted effective 1/1/14; renumbered as Rule 6.52 effective 1/1/22]

GUARDIANSHIPS AND CONSERVATORSHIPS

6.53 TEMPORARY GUARDIANSHIPS AND CONSERVATORSHIPS

A. Good Cause Required. A temporary guardianship or conservatorship will not be granted without a showing of good cause. The petition should set forth facts showing the emergency or urgent nature of the request.

B. Hearings on Temporary Guardianship and Conservatorship Cases. All temporary guardianship and conservatorship cases will be calendared by the probate clerk three (3) weeks out. If the case is urgent (i.e. irreparable harm to person or property), a party may appear in court on an ex parte application to request an order shortening time for the temporary hearing.

C. Bond. A full bond will normally be imposed upon a non-corporate temporary guardian or conservator of the estate; if a lesser amount is requested, good cause must be shown in the petition. The Court may in certain cases require a bond of a temporary conservator or guardian of the person.

D. Notice. Notice must be given to the persons listed in Probate Code §§ 1510, 1511, 1821 and 1822. If the petition requests that notice be dispensed with to any persons required to receive notice, the Judicial Council Form GC-112 must be filed with the petition for appointment of a temporary conservator. The fact that a proposed conservatee may not understand the proceeding or be unable to attend is not a reason for dispensing with notice.

E. Powers of Temporary Guardians and Conservators. Temporary guardians or conservators have the same powers as permanent guardians or conservators with the following exceptions:

1. *Sales.* Temporary guardians or conservators may not sell any property including securities, vehicles, personal property, or real property.

2. *Change of Residence Under a Temporary Conservatorship.*

a. *Hearing.* The court is required to hold a hearing within seven (7) days after a petition is filed. (Probate Code § 2253(c)). The proposed conservatee is required to attend the hearing unless he/she is unable or unwilling to attend the hearing and does not object. The proposed conservatee has the right to legal counsel, the right to confront any witnesses presented by or on behalf of the temporary conservator, and to present evidence on his/her own behalf. The court, in granting the petition, must make a finding that the change of residence is required to prevent irreparable harm and that no means less restrictive of the proposed conservatee's liberty will be sufficient to prevent such harm.

b. *Order.* The order shall specify the specific place where the placement is authorized. The court may not authorize removal from the state without an additional showing of necessity. A conservator who "willfully" removes a temporary conservatee from the state without a court order is guilty of a felony. (Probate Code § 2253(g))

c. *Investigation by Court Investigator.* If directed by the court, the Court Investigator does the following: (i) personally interview the proposed conservatee; (ii) inform the proposed conservatee about the proceedings and his/her rights; (iii) determine if the proposed conservatee objects, wishes to exercise his/her legal rights, is able and willing to attend the hearing, if legal counsel should be appointed, and whether the change of residence is required to prevent irreparable harm and no less restrictive means will suffice to prevent harm. The Court Investigator's report must be filed at least two (2) days before the hearing. The contents of the report must mirror the determinations above. (See Probate Code § 2253(b)(8))

F. Special Powers. Good cause must be shown for special powers to be granted without a hearing. If special powers or other special orders are sought, they must be specified in the petition and supported by factual allegations. Specific written explanations must be submitted for each power requested under Probate Code § 2590. In any case involving a special medically related power, a physician's declaration should be presented with the petition. Except in cases of emergency, no power of sale of real property will be granted without a noticed hearing.

G. Length of Appointment. A temporary conservator will be appointed only pending the hearing on the petition for appointment of the conservator.

[Rule 5.53 adopted effective 5/1/98; amended 7/1/19; renumbered as rule 6.53 effective 1/1/22]

6.54 GUARDIANSHIPS

A. Notice of Petition for Appointment of Guardian. Notice of petition must comply with Probate Code §§ 1510-1511. Note that these sections require *personal service* on specified persons. In situations where an order dispensing with notice is sought on the ground that a relative within the second degree cannot be found with reasonable diligence and no other notice is required, the Court requires a declaration stating specifically what efforts were made to locate the relative.

B. Proposed Ward's Appearance at Hearing for Appointment of Guardian. The requirement of an appearance is within the discretion of the Court and will be decided on an individual case basis. Where the proposed ward is the natural child of the proposed guardian of the estate, an appearance by the proposed ward is not required.

C. Investigative Reports. Unless waived by the Court, an investigative report must be given to the Court prior to appointment of a guardian of the person and/or estate.

1. *Non-Relative Petitioner.* In all cases where a non-relative petitions to be appointed guardian, the Department of Social Services will perform an investigation and make a report to the Court prior to the hearing date.

2. *Relative Petitioner.* When the proposed guardian is a relative, the court investigator will interview all parties at the time of the hearing and report to the Court.

D. Required Documents. The following documents must be filed with the petition:

1. *Guardian Information Form.* The Court requires that a Guardianship Information Form (local form PR007) in support of the petition for guardianship of the person be filed with the petition by the proposed guardian. The Guardianship Information Form will become part of the confidential court file. A copy should be provided to the Court Investigator within five (5) days after filing the Petition for Appointment of Guardian. The declaration shall include the following:

a. The need for guardianship including the specific reasons why the parents are unable to care for the proposed ward, and whether they consent to the guardianship.

b. A statement concerning the development of the minor, indicating with whom the minor has resided since birth, and any special emotional, psychological, educational, or physical needs of the minor and the guardian's ability to provide for such needs.

3. *Confidential Guardian Screening* (Judicial Council Form GC-212).

4. *Duties of Guardian and Viewing of Film.* Before Letters of Guardianship are issued, each proposed guardian of the person or estate must sign and file the Duties of Guardian form (Judicial Council Form GC-248). The proposed guardian must also view the guardianship film, available on the Court's website at www.marin.courts.ca.gov or shown in Room 116 and file the Declaration of Proposed Guardian's Viewing of Film (Local Form FL033/PR033).

E. Inventory and Appraisal. At the hearing to appoint a guardian of the estate, a compliance hearing will be set in approximately 120 days to ensure the Inventory and Appraisal (I&A) has been filed as required by law. If the I&A has been filed, bond is sufficient, receipts for blocked accounts have been filed, and the notice required by law has been provided, the hearing will be dropped. If the requirements of this rule and the law have not been met, an appearance by the attorney and the fiduciary will be required.

F. Accounts and Reports. The report accompanying each accounting should contain a statement of the age, health, and whereabouts of the ward. In addition, the report should contain an allegation concerning the amount of bond currently in effect and should address the question of the adequacy thereof.

1. *Conflicts of Interest.* The report accompanying an account shall include a disclosure of any actual or potential conflicts of interest as required by law. If no disclosures are required, the guardian shall include an allegation that no disclosures are required pursuant to Probate Code §§ 2111.5, 2351(d), 2401(c), and 2403(c)(2).

2. *Waivers of Accounts.* Waivers of interim accounts will not be accepted. Waivers of final accounts on termination are not favored and the Court may require the ward to be present at the hearing.

G. Guardianship Status Report. A confidential guardianship status report is due annually on the Judicial Council form.

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

H. Discharges. Discharge of the guardian will not be made in the order settling final account. A separate declaration for final discharge must be submitted, together with the receipt executed by the former ward and a copy of the order settling the final account and ordering delivery of the assets to the former ward. The declaration must state the date on which the ward reached majority.

I. Copies. All filings regarding guardianships must be accompanied by a copy designated for the Court Investigator.

J. Current Address. All attorneys and guardians are required to keep the Court informed of their current addresses and phone numbers as well as the current address and phone number of the ward.

K. Use of Minor's Assets for Support. In guardianship cases, if a minor has a living parent who receives or is entitled to support for the minor from another source, prior Court approval must be obtained before using guardianship assets for the minor's support, maintenance, or education. The petition must set forth the parents' financial inability or other circumstances which would justify use of the guardianship assets. Such petition may be included in a petition for the appointment of a guardian. An order granting the petition should normally be for a limited period of time, usually not to exceed 6 months, or for a specific and limited purpose.

1. *Funds in Blocked Accounts.* A request for withdrawal of amounts necessary for the minor's support may normally be made ex parte if accompanied by a sufficient showing of the need. However, where the minor has a living parent, the petition must contain the allegations referred to above; in such cases the Court may require the obtaining of an order prescribing notice and a calendared hearing.

[Rule 5.55 adopted effective 5/1/98; amended 7/1/15; renumbered as Rule 6.55 effective 1/1/22; Rule 6.55 renumbered as 6.54 effective 7/1/24]

6.55 ORDERS FOR WITHDRAWALS OF FUNDS IN BLOCKED ACCOUNTS

Withdrawals from blocked accounts may be requested by ex parte petition. Where withdrawal is sought because the minor has reached majority and the order establishing the blocked account is not self-executing, a certified copy of the minor's birth certificate or other convincing evidence of the minor's age must be presented with the petition for withdrawal. The order must provide for the payment of the funds only to the former minor. Where withdrawal is sought prior to majority, the purpose of the withdrawal must be fully disclosed. Withdrawals are disfavored except in cases of medical emergencies or unusual needs which a parent is unable to meet.

[Rule 5.56 adopted effective 5/1/98; amended 1/1/10; renumbered as Rule 6.56 effective 1/1/22; Rule 6.56 amended and renumbered as 6.55 effective 7/1/24]

B. Notice. The petition may be presented ex parte if the only relief sought other than reimbursement for filing fee and award of reasonable attorneys' fees is to deposit funds in a

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

blocked account and the amount involved does not exceed \$20,000. Otherwise, the petition must be noticed.

C. Order. Where the minor's funds are to be deposited in a blocked account, the order must provide that the person holding funds shall disburse the ordered amount of fees and costs, if any, directly to the person(s) entitled thereto and disburse the balance to the selected depository, whose name and address must be specified. The order must also provide that the receipt by the depository of the funds and a copy of the order must be filed forthwith upon the deposit of the funds.

The receipt must acknowledge that the funds may be withdrawn only on Court order.

Such authority will only be granted if the following conditions are satisfied:

1. *Court Investigator Report.* It clearly appears from the Court file that a Court Investigator has advised the conservatee of the effect of granting such authority and of the conservatee's rights in regard to such request.

2. *Physician's Declaration.* A physician's declaration on the Judicial Council Form is filed stating a medical opinion that the proposed conservatee lacks the capacity to give informed consent to any medical treatment and that the proposed conservator should be granted the exclusive authority to give such consent and to consent over the objection of the proposed conservatee. If a personal representative presents an account or petition that affects the interest of a beneficiary of a trust and the representative is either named to act or is acting as the sole trustee, then the Court will require notice to beneficiaries as required by Probate Code § 1208. In appropriate circumstances the Court may require the appointment of and notice to the guardian ad litem for potential beneficiaries if their interest may diverge significantly from those of the beneficiaries in being. This notice requirement applies to both testamentary trusts and pourover wills to an inter vivos trust. The Court requires that a copy of the trust document be lodged with the Court to verify the persons requiring notice or a declaration by the attorney be filed stating the trust beneficiaries entitled to notice.

On termination of a conservatorship if the conservator and the personal representative or trustee are the same person, notice should be given to the trust beneficiaries.

A testamentary trustee who waives the accounting of the personal representative must have filed a consent to act as trustee. Even though there is a waiver of accounting by the trustee, if the net probate income is to be paid over by the trustee to trust beneficiaries, the net probate income must be specified.

[Rule 5.70 adopted effective 5/1/98; renumbered as Rule 6.70 effective 1/1/22; Rule 6.70 renumbered 6.69 effective 7/1/24]

6.70 SUBSTITUTED JUDGMENT

If a trust is established pursuant to the substituted judgment statutes for a conservatee, the Court will require biennial accountings of all trust assets and the trust shall remain under the jurisdiction of the Probate Court.

COMPENSATION

6.71 STATUTORY COMPENSATION IN DECEDENT'S ESTATE

A. Calculation Must Be Shown. All petitions requesting payment of statutory compensation -- even if accompanied by a waiver of accounting -- must show the calculation of the compensation requested in accordance with CRC 7.705(a).

B. Basis for Computing Statutory Compensation on Waiver of Accounting. As an alternative to basing statutory compensation on the inventory values alone, where the petition for final distribution so requests, the Court will allow such compensation to be based on the inventory values plus income, plus gains on sales, less losses on sales, provided these figures are set forth clearly in the verified petition in accordance with CRC 7.705(b).

C. Expenses of Tax Related Services, Accounting and Bookkeeping. The personal representative may employ tax counsel, tax auditors, accountants, or other tax experts for the preparation of tax returns and for other tax related services and pay from the funds of the estate for such services. The Court may deduct from the personal representative's statutory compensation any sums paid from estate funds for performance of the representative's ordinary duties such as ordinary accounting and bookkeeping services, including the preparation of schedules for court accountings.

D. Executor/Attorney Compensation on Sale of Real Property. Where the attorney or personal representative is also a licensed real estate agent or broker, the attorney or personal representative may collect the statutory fee as well as the commission on the sale of real property subject to prior Court approval, however, no extraordinary fees shall be awarded.

E. Reimbursement of Costs.

1. *Allowed Reimbursements.* Allowable reimbursement costs include:

- a. Court Clerk's fees;
- b. Newspaper publication fees;
- c. Surety bond premium;
- d. Appraisal fees.

2. *Absorbed as Part of Fee.* The following costs are absorbed as part of the fee:

- a. Photocopies and postage;
- b. Secretarial and word processing time;
- c. Paralegal time for ordinary services;
- d. Computer time;
- e. Local telephone calls;
- f. Local travel, mileage and parking.

3. *Reimbursed Only in Court's Discretion.* The following costs may be reimbursed in the Court's discretion:

- a. Substitutes for U.S. Postal Service (Federal Express, UPS, etc.);
- b. Long distance telephone;

c. Long distance travel.

[Rule 5.72 adopted effective 5/1/98; amended 1/1/14; renumbered as Rule 6.72 effective 1/1/22; Rule 6.72 renumbered 6.71 effective 7/1/24]

6.72 EXTRAORDINARY COMPENSATION IN DECEDENT'S ESTATES

A. Factors. The following factors will guide the attorney and the Court in determining whether and in what amount attorneys' compensation for extraordinary services will be awarded:

1. The time required for the services.
2. Results obtained.
3. Benefits accruing to the estate and to beneficiaries.
4. Nature of services performed by personal representatives.
5. Amount of statutory compensation.

B. Declaration. Requests for extraordinary attorneys' compensation must contain detailed descriptions of the work performed, the hours spent on the work performed, the average hourly rate requested, the total amount requested and special circumstances related to the request. The declaration should include a statement which sets forth the number of hours spent on ordinary services and the total dollar value of services performed for statutory services.

C. Paralegal Services. Extraordinary attorney's services may include services of a paralegal acting under the direction and supervision of an attorney. The petition must set forth the hours spent, the qualifications of the paralegal, the work performed and the hourly rate. In addition, the petition should provide the court with assurance that the amount requested for extraordinary services of the attorney and paralegal combined do not exceed the amount appropriate if the attorney provided the services without the paralegal's assistance.

D. Examples of Services. Compensation may be awarded for extraordinary services, including but not limited to the following:

1. Sales, leases, exchanges, financing, or foreclosure of real or personal property.
2. Contested or litigated claims against the estate.
3. Preparation of income, sales, withholding, gift or estate tax returns and handling of audits or litigation connected with tax liabilities.
4. Carrying on the decedent's business.
5. Will contest.

E. Litigation Connected with Estate. Extraordinary compensation for representing the estate in litigation outside the regular administration of the estate whether by the attorney for the representative or outside counsel should be requested in advance and will ordinarily be allowed upon a properly noticed petition estimating the cost of litigation. Upon proper showing the Court may authorize progress payments prior to completion.

F. Proposed Order for Extraordinary Compensation in Decedent's Estates. When extraordinary compensation is requested, the amount requested should be inserted in the proposed order, even though the fees have not yet been allowed by the Court. If the Court allows

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

a fee other than that requested, counsel may revise the order or have the Court change and initial the amount allowed.

[Rule 5.73 adopted effective 5/1/98; amended 1/1/14; renumbered as Rule 6.73 effective 1/1/22; Rule 6.73 renumbered 6.72 effective 7/1/24]

6.73 PARTIAL ALLOWANCE OF COMPENSATION

A. Statutory Compensation. Partial allowance of statutory compensation will not be allowed on account before the filing of an inventory or the time for creditors' claims has run. Such allowance will be made in accordance with the work actually performed, but where no accounting is filed, the allowance may not exceed 50% of the statutory compensation computed upon the total value appearing in the inventories filed to that time. Where an accounting is filed, the allowance may not exceed 75% of the statutory compensation so computed.

B. Apportionment. Except in a case in which there is an agreement in writing on apportionment, where the personal representative has been represented by successive attorneys, compensation will not ordinarily be apportioned to a prior attorney for the personal representative until the final accounting has been approved.

C. Extraordinary Compensation. Extraordinary compensation will be allowed before final distribution only when it appears likely that the estate will remain in probate for an unusually long time, whether due to litigation or other cause, or on a showing that present payment will benefit the beneficiaries of the estate.

6.74 COMPENSATION FOR TRUSTEES AND THEIR ATTORNEYS

A. Criteria. All requests for compensation for trustees and their attorneys shall be supported by a declaration that addresses the criteria set forth in *Estate of Nazro* (1971) 15 Cal.App.3d 218 [93 Cal.Rptr. 116] and CRC 7.776. Each request will be considered on its individual merits. The petitioner has the burden to show the fee requested is reasonable and timesheets alone are not sufficient to show this. Local forms, *Attorney Fee Declaration* (PR035) and *Fiduciary Fee Declaration* (PR036), are available in the Clerk's Office or online at www.marin.courts.ca.gov.

B. Compensation of Trustees.

1. *Corporate Trustee - Percentage Guideline.* Where a corporate trustee is actively managing an income producing trust, a reasonable fee should usually not exceed 8/10ths of 1% of the principal of the trust per annum at the carry value at the close of the accounting period. When all or a portion of the income-producing trust is actively managed real property, a fee of 1% of that portion of the carry value of the corpus attributable to the real property will normally be considered reasonable. Good cause must be shown to depart from the standard fee. [Corporate trustee includes **only** banks and financial institutions. All professional trustees must request fees under other sections of these rules.]

2. *Noncorporate Trustee - Percentage Guidelines Normally Inapplicable.* The noncorporate or individual trustee shall ordinarily be compensated on a quantum meruit basis according to work actually performed under the principles described above. The noncorporate trustee must submit an itemized fee declaration. If the compensation

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

requested is at or above the level of a corporate trustee, it shall be the burden of the applicant to demonstrate the facts for justification; and in justifying guideline computations, the applicant shall include the cost of services of professional assistants including accountants, investment counselors, property managers and others.

C. When Will or Trust Instrument Sets Trustee's Fees. If the will or trust instrument contains provisions for a trustee's compensation, the trustee is entitled to compensation as provided therein. On a proper showing, the Court may allow a greater compensation when (1) the trustee's services are substantially greater than those contemplated by the testator or settlor at the time the will was signed, or the trust was created, (2) the compensation provided in the will or trust is so unreasonably low that a competent trustee would not agree to administer the trust, or (3) there are extraordinary circumstances.

D. Attorneys' Compensation. Attorneys' compensation is allowed according to the work actually performed and must be supported by a declaration under penalty of perjury. The declaration must include the average hourly rate, results accomplished, and benefit to the estate. Fees requested for time billed by a paralegal must be supported by the attorney's declaration regarding the paralegal's compliance with Business & Professions Code § 6450. A local form, *Attorney Fee Declaration* (PR035), is available in the Clerk's Office or online at www.marin.courts.ca.gov.

The attorney may not charge for making entries on timesheets. The attorney may not charge the estate if required to clarify or explain billing entries to the Court.

[Rule 5.75 adopted effective 5/1/98; amended 1/1/14; renumbered as Rule 6.75 effective 1/1/22; Rule 6.75 renumbered 6.74 effective 7/1/24]

6.75 COMPENSATION TO CONSERVATORS AND GUARDIANS AND THEIR ATTORNEYS

A. Criteria. All requests for compensation shall be supported by a declaration that includes a discussion of the factors in CRC 7.756. Each request will be considered on its individual merits. The petitioner has the burden to show the fee requested is reasonable and timesheets alone are not sufficient to show this. Local forms, *Attorney Fee Declaration* (PR035) and *Fiduciary Fee Declaration* (PR036), are available in the Clerk's Office or online at www.marin.courts.ca.gov.

B. Expenses That May Not Be Reimbursed. Absent extraordinary circumstances, the fee request may not include expenses that are part of overhead such as clerical support, postage, photocopies, local mileage and parking, local telephone calls, or facsimile transmissions.

C. Professional Licensed Fiduciary. Professional fiduciaries must submit requests for compensation in a manner that allows the Court to evaluate whether the fee requested is reasonable. The fiduciary must distinguish "routine, non-professional services" from those that require professional skill, experience, risk, and responsibility. "Routine, non-professional services" rendered by the fiduciary and his or her staff include filing, opening mail, paying routine bills, picking up medications, banking, shopping, and accompanying conservatees to routine, non-medical appointments.

Professional fiduciaries must disclose whether their fee request includes travel time.

The fiduciary may not charge the estate for making entries on timesheets. The fiduciary may not charge the estate if required to clarify or explain billing entries to the Court.

D. Corporate Conservator/Guardian – Percentage Guideline. Where a corporate conservator or guardian actively managing an income-producing estate asset seeks fees premised upon a fee schedule, the fiduciary must submit for court approval a declaration that sets forth the institution’s published fee schedule at the close of the accounting period, the compensation paid to the fiduciary, and the dates of such payment. The fair market value of the principal of the trust shall be the basis used to determine the fee request. [Corporate conservator or guardian includes **only** banks and financial institutions. All professional conservators and guardians and other conservators and guardians must request fees as outlined in rule 5.86.]

E. Non-Professional Conservators/Guardians. Non-professional conservators and guardians must provide the basis for calculating the hourly rate requested. If the hourly rate is based on their employment and similar experience, they must clarify whether their duties required them to take time away from work or how their skills benefited the conservatee.

If a non-professional conservator or guardian employs someone to assist with their duties, such employment and the fee arrangement must be disclosed.

F. Attorneys’ Compensation. Attorneys’ compensation is allowed according to the work actually performed and must be supported by a declaration under penalty of perjury. The declaration must include the average hourly rate, results accomplished, and benefit to the conservatee or child under guardianship. Fees requested for time billed by a paralegal must be supported by the attorney’s declaration regarding the paralegal’s compliance with Business & Professions Code § 6450. A local form, *Attorney Fee Declaration* (PR035), is available in the Clerk’s Office or online at www.marin.courts.ca.gov.

The attorney may not charge the estate for making entries on timesheets. The attorney may not charge the estate if required to clarify or explain billing entries to the Court.

G. Compensation of Conservator or Conservator’s Attorney from Trust or Other Source. When a conservator is petitioning for fees, any compensation received or available from any collateral source, including a trust, must be disclosed.

[Rule 5.76 adopted effective 1/1/17; renumbered as Rule 6.76 effective 1/1/22; Rule 6.76 renumbered as 6.75 effective 7/1/24]

6.76 PROCEDURE FOR OBTAINING COMPENSATION

A. Form of Application for Compensation. An application for compensation may be included in a petition for settlement of account, in a petition for distribution, or in a separate petition. The application should request a specific amount and not merely "reasonable fees." Compensation should be requested for work performed and costs incurred during the period of the accounting.

B. Notice. Notice will be required to a non-petitioning personal representative or fiduciary and when appropriate, to the residuary beneficiaries, or in an insolvent estate, to the major creditors.

C. Notice to Prior Representative or Attorney. If there has been a change of personal representative or fiduciary or a substitution of counsel, notice of hearing must be given to such prior representative, fiduciary or counsel of any petition in which compensation is requested by the present personal representative, fiduciary or counsel unless:

1. A waiver of notice executed by the prior personal representative, fiduciary or counsel is on file;

MARIN COUNTY SUPERIOR COURT - UNIFORM LOCAL RULES

2. An agreement on the allocation of compensation is on file or included in the petition; or

3. The file and the petition demonstrate that the compensation of the prior personal representative, fiduciary or counsel have been previously provided for and allowed by the Court.
